Bachelor of Business Administration

Accelerated business degree for accelerated career growth.
Yorkville University is a Canadian university with a national presence.

With the aim to inspire and assist students in their personal and professional growth, Yorkville University offers professional, practitioner-oriented programs in a supportive, collaborative and interactive learning community.
The Yorkville University Bachelor of Business Administration program equips motivated individuals with the skills to navigate and manage complex business issues, empowering them with the tools for long-term personal and professional success. The degree builds on students’ past experience with the Apply & Integrate approach, which ensures a solid understanding of core concepts and how to apply them in real-world scenarios. Yorkville graduates embark on their careers with a full repertoire of business competencies, enabling them to step into positions of leadership within their workplace and industry. Yorkville alumni possess the knowledge and expertise required to excel in their careers or pursue graduate work, while taking part in a network of motivated business professionals from around the world.

SPECIALIZATION OPTIONS

The business realm is continually evolving. As new industries emerge and established sectors advance, Yorkville University offers students a pathway to expertise with the following specializations:

VANCOUVER CAMPUS
- Accounting
- Energy Management
- Project Management
- Supply Chain Management

TORONTO CAMPUS
- Project Management

PROFESSIONAL DESIGNATIONS

Yorkville University’s programs are developed and structured to assist in fulfilling some of the eligibility requirements of certain professional designations.

CHARTERED PROFESSIONAL ACCOUNTANT (CPA) DESIGNATION

In keeping with industry standards, completion of the Yorkville BBA with a specialization in Accounting accrues to graduates not only a degree, but the preliminary credentials necessary for writing the Chartered Professional Accountant (CPA) exam and aligns with some requirements for the Canadian Payroll Association (CPA).

PROJECT MANAGEMENT INSTITUTE (PMI) DESIGNATION

Yorkville University’s BBA with a specialization in Project Management will prepare graduates to successfully meet some of the eligibility requirements for the Certified Associate in Project Management (CAPM) designation and the Project Management Professional (PMP) designation.

I always felt I could do more and Yorkville University pushed me to take the next step. Two weeks after graduation, I got promoted.

HUBERT WONG
Bachelor of Business Administration Graduate

My dream was to own a fashion label. Few weeks after graduating with a BBA from Yorkville University, Riot Theory Apparel was launched.

Why Study at Yorkville University

Student Benefits

INTERNATIONAL STUDENTS
Graduates may become eligible to apply for their Post-Graduation Work Permit (PGWP), which may be valid up to 3 years. A student's spouse or common-law partner may apply for an open work permit.

DOMESTIC STUDENTS
All Canadian citizens and permanent residents can benefit from a 45% tuition bursary in British Columbia, and a 35% tuition bursary in Ontario. The tuition bursary is only applicable to all courses completed on-campus.

Intakes

There are four full terms in a year: January, April, July and October.

Core Benefits

FLEXIBILITY
Attend school in Toronto or Vancouver with flexible learning hours to maximize your on-campus and off-campus work hours.

ACCELERATED PROGRAM
Get up to 60 transfer credits and complete a 4-year BBA degree in as few as 2.5 years.

General Admission Requirements

BRITISH COLUMBIA
Completion of a Grade 12 program leading to a British Columbia Certificate of Graduation, or the equivalent, with at least a 65% in the following:
• Any Mathematics 11 or Mathematics 12
• Any English 12 course

ONTARIO
High School Graduates
High School diploma with at least a 65% average in six courses from the U/M level or equivalent including:
Grade 12 English (ENG4U or equivalent), Grade 12 Math (U or M Level).

College or University Graduates
Graduates of 2 to 3-year college or university programs will be considered for transfer credits of up to a maximum of 60 credits; to be assessed on a case-by-case basis.

English Language Proficiency

If English is not your primary or native language and you have completed your previous education in a language other than English, you will need to provide proof of English language proficiency.

BRITISH COLUMBIA
Students with an IELTS score of 6.5 (or equivalent) will enroll in Yorkville University’s regular academic program without condition.
Students with an IELTS score (or equivalent) of 6.0 but below 6.5 will enroll in the regular academic program but will enroll in an English for Academic Purposes (EAP) course in Term 1. (This course is a credit course that counts towards the completion of the degree. There is no additional charge for the EAP course.)

Please note: There is no ESL Pathway Program available at Yorkville University’s British Columbia campus at this time. Eligible applicants will be referred to one of the University's ESL pathway partners.

ONTARIO
Students with IELTS or equivalent score of 6.5 and higher will enroll in Yorkville University’s regular academic program without condition.

Yorkville University’s ESL Pathway Program enables students, with less than the minimum required IELTS scores, to be accepted to Yorkville University programs in Ontario. Students not meeting the minimum criterion have the following options, depending on their IELTS score:
• Students with scores above 5.5 but below 6.5 will enroll in the regular academic program and will enroll in an English for Academic Purposes (EAP) course in Term 1.
• For scores between 4.5 and 5.5, students will have to successfully complete Level 2 of the ESL Pathway Program.
• For scores lower than 4.5, students will have to successfully complete Level 1 and Level 2 of the ESL Pathway Program.

All students completing Level 2 of the ESL Pathway Program are eligible to start their academic program but will enroll in an English for Academic Purposes (EAP) course in Term 1.

Students without an IELTS score will be asked to complete the Oxford Placement Test to determine their placement in either (a) Level 1, (b) Level 2 or (c) enter their degree program directly or with a concurrent English for Academic Purposes (EAP) course.
