SUBJECT RECOGNITION OF DOCUMENTS ISSUED BY BEAL UNIVERSITY CANADA

This letter is provided to accompany academic and administrative documents that were originally issued to the bearer while they were enrolled as a student of Beal University Canada.

Effective September 8, 2026, Yorkville University assumed responsibility for the delivery and administration of the nursing program formerly offered by Beal University Canada, as well as the custody of related academic records. Students enrolled in the program continued their studies under Yorkville University. As a result, Yorkville University serves as the custodian of the student's academic record and related educational documentation.

Documents issued under the name Beal University Canada, including but not limited to parchments, transcripts, enrollment confirmations, academic letters, awards, certificates, and other official records, remain valid and authentic representations of the student's academic achievements and status at the time they were issued.

The transition of program responsibility does not alter, invalidate, or diminish any academic credits earned, grades awarded, credentials conferred, academic standing achieved, or rights associated with documents previously issued by Beal University Canada.

Should additional verification be required, Yorkville University may be contacted to confirm the authenticity of records and credentials associated with former Beal University Canada students.

Sincerely,
Office of the Registrar
